Lecturer: Emmett Griffiths

Mr. Griffiths, President of Rideau Orthodontic Mfg. Ltd. has studied from and later promoted many of the pioneers of FJO along with his late father a “Functionally Oriented” Orthodontist from Montreal. Mr. Griffiths has organized post-graduate CE courses for more than 35 years and has lectured extensively at Orthopedic/Orthodontic Symposiums/Study Clubs. Mr. Griffiths will share his unique experience as an orthopedic/orthodontic laboratory owner outlining treatment and appliance techniques that work best for his clientele as well as revealing what does not and why! Mr. Griffiths currently provides several hundred general dentists throughout North America with a unique Case Evaluation service including cephalometric tracings and space shortage analysis. Diagnosis is the KEY to successful treatment.
