---

**WHY REFER $200,000 or more a year out of your practice?**  
Expand your knowledge of Functional Jaw Orthopedics and Orthodontics.

---

**SESSIONS II & IV**

Bring cases with complete records for open discussion as time permits.

---

**Dr. Broadbent** is an Associate Professor at the University of Southern Nevada, College of Dental Medicine where he mentors residents in Advanced Education in Dentofacial Orthopedics & Orthodontics.
DR. GRANT BOWBEER
ORTHODONTIST, ANN ARBOR, MI

DR. BOWBEER has lectured on Functional Jaw Orthopedics/Orthodontics since 1985. This method allows full dental arch development thus creating better smiles and arch stability.

DR. BOWBEER has developed a diagnostic method of facial analysis that matches the facial esthetics of fashion models and movie stars.

Many of Dr. Bowbeer’s patients have won "Best Smile" awards in their school groups.

Don’t miss this opportunity to gain your knowledge from “functionally oriented” Orthodontists

TESTIMONIALS

“An honest course that cuts to the quick. As a beginner I appreciated the honesty in outlining the cases to refer until I gained more proficiency and experience.”

“The cases and techniques are explained thoroughly, simply & clearly.”

“Step by step diagnosis and treatment of frequently seen orthodontic cases.”

“Orthodontics has made my dental practice more satisfying and exciting.”

Session III: Dr. Grant Bowbeer LECTURE
Friday, August 12, 2011
