

Emmett Griffiths, Consultant

griffiths@orthodontic.ca

Emmett has served the dental profession for more than 40 years having attended lectures with many of the pioneers of Functional Jaw Orthopedics along with his father, a functionally oriented Montreal Orthodontist.

Emmett has hosted continuing education programs for more than 35 years with world renowned lecturers Drs. Witzig, Gelb, Wilson, Cetlin, Broadbent, Bean, Bowbeer, Stack, Spahl, Clark, Mahony, McNamara, Mulligan, Altuna, Woodside, Nordstrom and numerous others.

Emmett has lectured throughout Canada, in the USA and Internationally. Emmett hosts Orthopedic/Orthodontic Study Clubs for the General Practitioner while also providing a unique written Case Evaluation service for his clientele.

LABORATORY SUPERVISION

In compliance with

The Regulated Health Professions Act, 1991

Laboratory supervision is under the guidance of

Dr. Robert Bruce Harfield, DDS

Graduate of the Royal College of

Dental Surgeons of Ontario

Registration ID#: 10076

IN-LAB FABRICATION TIME

4 working days for appliance fabrication.

TMJ PAIN Splints are a RUSH 1 day.

Positioners require 10 in-lab working days.

CLIENT/PATIENT CARE

- All prices include shipping*
- In-house tracking of your package
- Same day in lab priority for all repairs, rushes or TMJ pain splints
- Appliance storage container provided
- Patient's Daily Report Booklet included with active/functional appliances
- Expansion key with safety handle included with all fixed expansion appliances
- Devices are disinfected in accordance with RHPA
- Appliance information printed on invoice
- Patient's last name or Case # inserted into acrylic (please print name clearly on Rx)
- **Instruct patient to remove dental devices using the posterior clasps NOT the labial bow to prevent fracture.**

ORTHODONTIC SUPPLIES

Brackets, Archwires, Elastomers, Adhesives, Instruments, Model Storage Boxes and much more.

Bonarch Supply Canada Ltd.

1-800-267-9225 bonarch@orthodontic.ca

Online Supply Catalogue www.orthodontic.ca

TO SCHEDULE A PICKUP

Please contact  at **1-888-744-7123** and ship COLLECT under our Account **#3575071**.

You will receive pre-printed return labels with your first shipment from the laboratory.

Please contact the laboratory for shipping instructions from your US location.

OUR GUARANTEE

Dental devices are guaranteed for 90 days from invoice date against fabrication or material defects.

(Excludes lost and abused devices)

ORTHODONTIC APPLIANCE INSURANCE

Added protection against loss, damage beyond repair and/or appliance breakage for a one time claim.

- 6 months Coverage 15% of appliance cost
PLUS Deductible \$25
- 12 months Coverage 25% of appliance cost
PLUS Deductible \$35

Insurance must be purchased prior to fabrication and applies to select removable appliances. Insured device is remade to original Rx one time only. Rideau Orthodontic is the insurance carrier NOT a third party. Clients with excessive claims may be denied coverage.

SHIPPING & HANDLING

*Shipping & handling may apply to invoices under \$95 or record returns without a device.
