

Kevin Paul Deegan, RDT

Kevin attended George Brown College in Toronto completing a certificate of Dental Technology in 1997. Kevin achieved a Registered Dental Technologist of Ontario certificate in 2000. Registration #00547

Kevin is directly involved with fabrication and supervision at Rideau Orthodontic Mfg. Ltd. Kevin was born and raised in the town of Smiths Falls, ON and looks forward to continuing the longevity of the company. Kevin is a true perfectionist ensuring an excellent standard of quality for your patients. **E-mail: lab@orthodontic.ca**

Emmett Griffiths, President

Emmett has served the dental profession for more than 40 years having attended lectures with many of the pioneers of Functional Jaw Orthopedics along with his father, a functionally oriented Montreal Orthodontist.

Emmett has hosted continuing education programs for more than 35 years with world renowned Drs. Witzig, Gelb, Wilson, Cetlin, Broadbent, Bean, Bowbeer, Stack, Spahl, Clark, Mahony, McNamara, Mulligan, Altuna, Woodside, Nordstrom and numerous others.

Emmett has lectured throughout Canada, in the USA and Internationally. Emmett hosts Orthopedic/Orthodontic Study Clubs for the General Practitioner while also providing a unique written Case Evaluation service for his clientele.

Emmett is always available by phone or e-mail at griffiths@orthodontic.ca
